## Preapproval letter instructions

---

An applicant may work with any mortgage lender for a home loan. A list of lenders who have expressed interest in supporting this project is attached.

A complete application will include a mortgage pre-approval to purchase an affordable unit at the Habitat San Pedro Street development. A firm pre-approval requires the lender to check credit and verify your documentation and income for a loan to purchase the home. The loan approval should be for up to \$340,000 minus a 3% down payment and any additional assistance available for low income, first-time homebuyers.

If the lender assumes the applicant will be eligible for down payment assistance, documentation must be provided to support this assumption. For example, the lender may have access to WISH funds.

This firm pre-approval letter and related documentation must be included with the application for the documentation to be considered complete. Construction of the home will take approximately 1-2 years. Loan qualification must be maintained throughout the construction period.
